

ORGANIZATION *Residual Income*

Sportron's revolutionary compensation plan has been recognized around the world as amazingly simple, yet the most generous plan available. The Sportron plan provides everyone an equal opportunity to succeed. No other company offers you the best of both worlds: the opportunity to earn significant income immediately while you build a long-term resid-

ual or retirement income. The basic Organizational Bonuses generate substantial residual income and the **9% Infinity Bonus** rewards those who strive to succeed. In addition the Advertising and Builders Bonuses help you get off to a profitable fast start and the Growth, Car and Progression Bonuses reward those who actively build their Sportron business.

Starting in your second month, Sportron pays you a percentage of the first 300 product points produced by every Associate in your organization. At Team Manager you earn a 1% infinity bonus on your entire organization down to the next Team Manager or above. Each promotion brings an additional 1% infinity bonus generating even more income from Associates deep in your organization. You can earn up to 9% on sales in your entire organization. These checks are mailed out monthly with your business report that itemizes the activity of every Associate in your organization and the dollar amount earned.

The organizational bonuses listed above are only a small part of the story. Many Network Marketing companies stop at paying out organizational bonuses alone. With Sportron, you have available seven additional bonuses that can increase your income dramatically.

* Volume – No more than 60% of required volume can come from 1 leg.
 ** Car Bonus – Must be Activity Qualified. See Compensation Plan Brochure Page 4 for details.
 *** Progression Bonus - Must be Activity Qualified. See Compensation Plan Brochure Page 4 for details.
 † Infinity Bonus – Cumulative amount paid down to next active Associate at equal leadership position or above.
